

Practice on Beamer and Tikz

Preetom Saha Arko

Bangladesh University of Engineering and Technology

July 27, 2019

Introduction to Beamer

- Beamer is very important for technical presentation.

Introduction to Beamer

- Beamer is very important for technical presentation.
- Beamer provides fixed typesetting.

Tikz is an important tool for creating self-generated figures. $E = mc^2$ Today we will cover both beamer and tikz.
